

iOS

## iOS Setup for eduroam

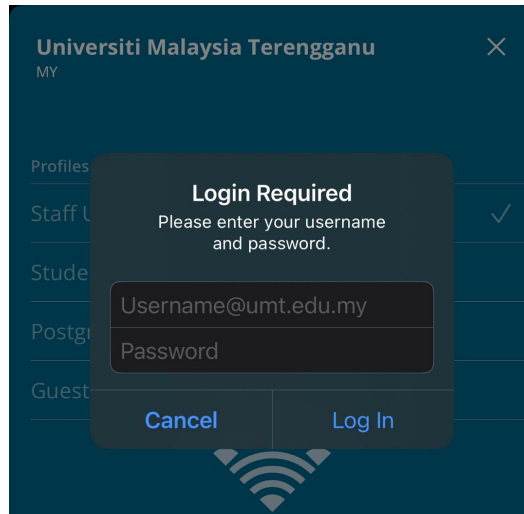

1. Open the App Store and install the geteduroam application.

2. In the Select an institution search box, type "Universiti Malaysia Terengganu". Then, select a profile based on your role.

3. Enter your IAS user name with "@umt.edu.my" as a staff and for student "@ocean.edu.my" and password. Then, click Log in.

4. Allow all requested permissions. You are now connected and ready to browse.
